

Last summer (2007) God had me wake in the night with great prophetic insights to expose the evil that had infiltrated our Nation (U.K.) & its Constitutional “Church”. On three separate nights I awoke, my wife Lindsay writing down what God was saying with our Lord’s instruction as to the method in which we were to spiritually plant Theses on representative ministries that had moved away from their original call – had moved away from what God had originally instructed – this activity bringing in a judgment on a nation allowing Roman Catholic ideals and false doctrines to infiltrate what was once a great Protestant country.

The 95 Theses

On this door in Wittenberg, Germany Martin Luther nailed his God given challenge to the Roman Catholic Establishment Church on 31st. October 1517. 7 x 70 years later God has ordained Rev. David P. Griffiths to place a further 95 Theses spiritually on doors of U.K. denominations & Church groupings bowing down to the same order Luther stood against.

WORD FROM THE LORD TO DAVID GRIFFITHS, Thursday 26/07/07

“THESES (1): Thou hast embraced Egypt, the bondwoman, rather than the everlasting covenant of the Lord thy God.

“THESES (2): Thou hast embraced the Alexandrian scriptures of bondage rather than the blood covenant of the Lord thy God.

“THESES (3): Thou hast embraced the line of bondage rather than the line of Abraham’s natural son.

“THESES (4): Thou hast sought to do things **thy** way, rather than through the revelation of the Lord thy God.

“THESES (5): Thou hast not embraced the apostolic mantle of thy forefathers as I have caused thee to do. Remove not the ancient landmark.

“THESES (6): Thou art to speak the words of the Lord thy God, rather than the words of reason & intellect. The methods of higher criticism are cursed: remove them from the training of thy students.

“THESES (7): Remove hermeneutics for the revelation of Me, the Great I AM.

“THESES (8): Stand fast in the revelation I have given thee: the revelation of the martyrs’ blood speaks through the Authorised Version of 1611.

“THESES (9): Take heed not of the social conditions. My Word can not be returned void.

“THESES(10): My prophet has spoken to thee yet thou hast not given heed: & so My wrath is upon thee, & thou art as rags before Me. As I spoke through General Booth, to cry out ‘Blood & Fire’, thou art to return to the same cry, whatever thy movement be – for He was sent to make all men rich in Me.

“THESES (11): Thou art to return to the old paths. I have seen thy entertainment shows on a Sunday, & I am not pleased. I require the heart of conviction to return to thy praise singing.

“THESES (12): Thou hast failed to recognise that Britain is Church & state together. This means it is obligated under law to obey My Word. Yet it has brought in laws which are not of Me: laws that kill & maim, rather than emanate the blood of the Lamb. Yet thou hast stood silent as the nation has stood under the paths of judgement. ‘Cry aloud & spare not’ is My cry. Yet thou hast stood by & allowed the

nation to wallow in sin. Thou art to bring back the family of Mum & Dad under God, in holy matrimony – that is, holy covenant. Thou art to proclaim to homosexuals the error of their ways, & to introduce them to a Saviour Who holds out His arms to the repentant sinner. To the paedophile, thou art to cast out the curse of Molech from a nation that slaughters its innocents through the ungodly curse of abortion.

“THESES (13): Thou hast allowed the nation to come under the curse of Rome, rather than the Commonwealth of nations I have given thee.

“THESES (14): The fish in the sea will return as the nation repents before Me.

“THESES (15): A word to the theological colleges: Cast out the bondwoman of Egypt: that is, the new translations, which have no root in Me. My true Word has been preserved & purified seven times, authorised by King James. Have no other. Do not say, ‘There may be textual difficulties’ – for this is My bloodstained Word. In the words of the song sung through Smith Wigglesworth ‘Only Believe.’

“THESES (16): ‘The Word of the Lord is a strong tower’ – but as thou hast moved away, & taken the movements away from this cover, thou must now pay the price.

“THESES (17): Thou hast changed the words in thy hymn-books from the words given to the saints. Thou art to return to the original versions, as in ‘Guide me, O Thou Great Jehovah,’ thou art to include the words ‘Thou hast conquered sin & Satan & the grave.’

“THESES (18): Thou art in great danger by not following Me. Thou art to have thy complete trust in Me.

“THESES (19): The ‘Every Creature Commission’ given to Rees Howells is to be embraced by all of My Church. Every

creature must be reached with **the** gospel rather than the 'a' or 'an' "gospel" of the new translations.

"Within these theses is a warning to thy nation to turn back to the Risen Christ, removing the Gnostic abominations, which thou hast called a Bible. Just as in My original theses given through Luther, thou art to cut all links with what is known as the Roman Catholic Church – i.e. thou art not to embrace a separate priesthood which is known as Pentecostal denominations as "Leadership." There is only **one** priesthood in the New Testament.

"THESES (20): Thou art no longer to suppress the gifts in the Church, in fear of offending people; for I am the Giver of the gifts.

"THESES (21): Triumph over adversity, rather than bow down to the system.

"THESES (22): As these things are being written, so many acres of farmland in Britain are under water, placing a great strain on the finances of the nation. Return to the Book of the Coronation, & thou shalt be free from the curse of the Law.

"THESES (23): I hold your nation to every word spoken at the coronation of thy monarch.

"THESES (24): Thou hast removed the monarch in favour of apparent democracy, when thy nation has never ever been called to have its own choice. Thy nation is a nation under God: a theocracy rather than a democracy.

"THESES (25): Thou hast served a self-pleasing people, rather than a life-giving God that gave His Son, Jesus.

Explanatory Note: "There will now be theses in relation to specific parts of the nation. The next group of theses is for Scotland.

“THESES (26): Thou hast witnessed revival in the past. Do **not** come under this curse known as “contemporary Church” which refuses to use the language of old. Thy eldership must ensure that secularism, that is, reason, does not enter My precious Church.

“THESES (27): Thou hast an abomination at Dunkeld, which thou must remove.

“THESES (28): Thou must remove all signs of the occult from thy buildings, & all signs of superstition & unbelief. Thy capital has become a Sodom & Gomorrah, its festival emphasising paganism rather than Me.

“THESES (29): Thy nation in the past has stood against the inroads of Rome. Make sure that thou stands faithful to this call.

“THESES (30): The 1700 Act of Settlement is to be retained in thy nation, including the Act of Union – the union not being one with England, but with Me. For in Christ there is neither Jew nor Greek, male nor female, or Scot or Sassenach.

“THESES (31): As thou hast stood against Catholicism in the past, so thou must stand today against its infiltration into the affairs of state. Thy parliament in Edinburgh is an abomination to Me, as it seeks to pass laws in contravention to the Holy Scriptures, so it lies in your capital city as a symbol of the curse upon thy nation. Thy elections will never run smoothly whilst you continue in your act of rebellion to the Act of Union. Thou will never have a Flower again, whilst one rebels against the covenant the Reformation fathers fought for.

“THESES (32): I have called thy nation to be a nation of Covenanters, & now the nation must bear the consequences of breaking its covenant with Me.

“The next series of theses are for Wales.

"THESES (33): Thou must reject the dragon: Thou must reject the dragon! For whilst you have the symbol of defeat upon thy flag, so thou wilt be reliant on hand-outs to fulfil the affairs of state.

"THESES (34): Thou hast moved from being a nation under God, to being a nation under Roman control.

"THESES (35): Thou hast used holy ground that had restrictions & covenants upon it, to build secular & religious abominations within what were known as chapels. Repent before Me, & rebuild these chapels of glory.

"THESES (36): Thou hast changed the valleys from being the valleys of song to Me, to being alleyways of devils.

"THESES (37): Thou still hast in thy midst some of the miners of old, who used to sing praises to Me. I hear no more the heart of the miner, but instead see so-called churches of secular humanism & despair. I refer your nation to Deuteronomy 28, & declare your nation to be cursed with a curse, for not continuing the revival of Moriah, & before that, of William Williams.

"THESES 38: Your nation sings 'Bread of Heaven' at the Millennium Stadium, yet waves a symbol which William Williams would not tolerate. Return to the flag of David, or be cursed with a curse that your European Community will not be able to get you out of.

"THESES (39): Your National Eisteddfod is a disgrace to Me, at which you seek to honour the works of man, rather than the bloodstained pages of Holy Scripture. Your bardic abominations are seen before Me as a symbol of your adherence to the dragon, who is destined for everlasting torment in the pit of hell. I implore you to restore the ancient wells of Christianity; remove the high altars from thy cathedrals, remembering children of God to be the holy temples of the Lord.

“For the nation of Ireland:

“THESES (40): I have called all of Ireland into this covenant: I see no division between North & South. Patrick was neither Catholic nor Protestant. He was the portrayer of sound doctrine for the whole of the island of Ireland. His doctrine of the Godhead was correct, & I have called this island of Ireland to be portrayers of sound doctrine. But in the South, thou hast allowed in the doctrines of Rome, & built up altars to false gods. And in the North, I have brought together the leaders of nationalism & the leaders known as Protestant.

“As thou accepts, & receives, the bloodstained pages of the Authorised Version, thou wilt see that the doctrine of Patrick can only be supported through the bloodstained pages authorised by King James. The Catholic translations are not in line with this doctrine.

“I call the whole of Ireland to come back to this doctrine of Patrick.

“The next series of theses is for England.

“THESES (41): Your Parliament is known as the mother of parliaments. There are those who have associated the genealogy of your monarch back to David. Along with Scotland, Ireland & Wales, you have sent missionaries all over the world – yet now, you are a nation full of fear & despondency. I am calling your parliament once more to restore the powers given to Wales & Scotland back to Westminster; the affairs of Ireland, though being administrated in Ireland, coming once more under the monarch, the monarch not being seen as Queen or King of England, but of the lineage of David, in holy covenant with Me.

“The people of Southern Ireland must decide whether to come under this, or the curse of the bondwoman.

“THESES (42): Thou art sitting on a time-bomb of racial hatred & mistrust. Thou must re-establish your Constitution & declare Jesus as being the only way to God. Hence, you say in your rituals, “Through Jesus Christ, our Lord.

“THESES (43): Thou art to restore the House of Lords & the House of Bishops back to its original state. Warn the politicians: “Do not touch the landmark of your Constitutional Acts.”

“Give warning to Charles not even to **think** about changing the Act establishing the Coronation Oath (1689).

“THESES (44): I have called thy nation to be politically incorrect in the world. Thy nation is called to be the manifestation of I, the Great I AM. Thou art to repent of the sins of thy forefathers that suppressed & hurt the peoples of the Empire, & at the same time thanking God for the **blessings** of the Empire.

“For I have caused thee to have an economic covenant with the Commonwealth of nations that brings about a COMMON WEALTH - & thou art to trade in holy covenant rather than the binding & controlling clutches of the Treaty of Rome.

“THESES (45): Thou hast removed the landmark of a Protestant nation by failing to act upon the foundations of your forefathers. Your nation is under flood, debt & despair. Why not come back to Me, so that I may give thee **life?**”

PART 2: WEDNESDAY 01 08 07

“THESES (46): Thy festivals are a disgrace unto Me; wandering around, wondering what to buy. Thy Christmases are to worship other gods, far from Me.

Easter is a pagan festival, uncalled for by My Word. What I require is your 24-hour attention to My words. Attend to My words: they are life to those who find; healing to thy flesh; & peace to thy hearts.

“What do thy festivals do? Bring stress & death. My Word brings **life**.

“THESES (47): Thy Sundays are an abomination to Me. Thou art to close down all things except the very essential services to the elderly & the infirm, & bring the whole nation unto God, the Creator of heaven & earth.

“THESES (48): Thou art to remove all learning in your schools which is not of Me; for unless I am seen as Creator of all things, then learning is folly.

“THESES (49): Thou art to remove honour from those who do not trust in Me; for unless I am seen as the Giver of gifts, then an honour to celebrate human achievement is folly.

“THESES (50): Thou art to move into my presence as a nation. Great Britain has been chosen to be a spiritual example to the world, & I am returning thee back to the paths of thy forefathers. The ancient landmarks of My Church must be restored.

“I am causing thee to remove the pagan barriers; to remove the blots from thy landscapes – like standing stones, & white chalk men, etc. etc.

“Fear not for the outrage this will evoke; for My nation is called to follow **Me**, not those who worship earth in itself.

“THESES (51): Witchcraft again is to be a crime in thy land – a land which is dedicated to Me, not to the pantheistic gods of a devil who is determined to imitate Me.

"His deception is often subtle, yet surprisingly obvious on so many occasions.

"THESES (52): Thou art to recognise those suffering from mental illness, as opposed to criminality. I have given thee authority over all spirits of the underworld. Thou art to **cast out spirits**, & set men free. (Mark 16)

"THESES (53): Thou hast been right in exposing the Alexandrian scriptures: the so-called "new translations" are an abomination of hell that depicts My Word in a way that apparently pleases all.

"I am a jealous God, & will not tolerate that intrusion into society. I am declaring all theology degrees based on these new translations as null & void, meaning thy teachers have no right to teach children, thy lecturers have no right to teach students. These have to be replaced by those that have dedicated their lives to Me, who will proclaim the message 'Ye must be born again.'

"THESES (54): I am declaring My Church to be those who have dedicated their lives to Me. Thine altars in thine great cathedrals are an abomination to Me. I have not caused thee to bow down to altars of gold, brass & stone, but rather recognise that thy bodies are the temple of the Holy Ghost, meaning that I reign within true believers. So rip down these altars of Satan, & recognise that Jesus is Lord.

"THESES (55): Thou art to rid thy land of political correctness. Thou art not permitted to say in the Church that 'we believe this, & we believe that,' but are to emphasise My Word as being **fact**, not simply a belief on its own.

"For example, thou art to say 'God created the heavens & the earth,' not 'I believe that God created...'

"Thou art to proclaim that Jesus is Lord, not 'I believe that Jesus is Lord;' it is a statement of fact, whether you believe it or not.

"THESES (56): I will promote those who don't know over those who do; for those who do **not** know will bring the affairs of state to Me, & I will direct thy paths. The steps of a righteous man are ordered of the Lord.

"Thy Queen is to be an empty vessel for Me, rather than a figurehead of government. Constitutionally, **I** am to give direction as to whether the Queen should sign acts of Parliament or not.

"Constitutionally, all acts that have been signed under government direction are not acts at all; constitutionally, your nation is a nation under God, your Queen being an empty vessel for My will to manifest.

"THESES (57): Thou art to bring to justice those that have brought in laws contrary to My Word. There is to be special punishment & wrath upon those who have slaughtered innocents, & upon those who have allowed the abomination of mankind to manifest. To avoid My wrath, I call thee to repent, & change thy ways.

"THESES (58): A nation on its knees is a nation at ease.

"THESES (59): There is to be a time of mourning for thy sins. Instead of thy Christmases & thy Easter, I am calling thee to call a day of fasting before Me as an acknowledgement that thou hast repented as a land & nation.

"THESES (60): Thou art to move ahead as directed by My Spirit, rather than thy intellect. I have caused there to be politicians prepared to give their lives for the nation, rather than to go after personal gain.

"Make sure that thy politicians stand for Parliament with a heart of dedication & submission to God, recognising that

thy nation is a theocracy – a nation under God, with empty vessels as its Parliament, Assembly & council members.

“THESES (61): Thy seats of government are to recognise that I am the potter, & thou art the clay.

“THESES (62): The abomination of the EU is to be removed from all aspects of government, for thou art to be a nation under God. Amongst nations thou hast called to be a Commonwealth of nations – the emphasis on the word being **Common Wealth**.

“THESES (63): Thou art to remove all other gods from these nations. The tsunami was a sign of My wrath towards nations who have submitted themselves towards other gods.

“Thou art experiencing natural disasters yourselves; for unless your nation returns unto Me, these disasters will increase. Thy crops will be ruined, & there will be famine upon thy land, which the EU funds will not be able to cope with.

“THESES (64): I warn all those who laugh & scorn at My theses shall have no place in My kingdom.

“THESES (65): Thou art to teach thy children the story of Noah as fact; that Jonah did exist, & enter a big fish. My Word must be taken as **truth**, & must **not** be kept under textual criticism.

“THESES (66): In the same manner as Islamic ‘nations’ protect their ‘Word,’ how much more should **thou** protect My Word, given unto thee.

“Thou must make it an offence to question My Word, for My Word is the stability of thy nation.

“THESES (67): I speak to all those who see themselves as Church leaders: I have seen thy colleges & universities

questioning My Word, & I have rejected thee from My kingdom. Unless I witness true repentance, there will be a place for thee in eternal damnation.

“Thou must not question My Word; only believe it.”

“I am causing My nation to protect My Word; & all the Alexandrian counterfeits to be burned on bonfires throughout the whole nation. Hallelujah! My Word once more is to be restored to My land.

“There will be **no** excuses of it being old English, etc. etc. For thus saith the Lord: it is neither old English nor modern English: it is the language of heaven.

“THESES (68): These theses are to be placed on denominational & “Church” groupings’ doors throughout the whole of thy land. And as these theses are pinned upon the door, so this will mark the beginning of a judgement & wrath that is not of **human** dimension, but of Me.

“Do not look to blame man; for this is a time of self-examination before Me; a time to die to self-motivations, & a time to **repent** before my throne.

“THESES (69): Thou art to institute the five-fold ministry: of prophets & apostles, the foundations of the Church, Jesus Christ Himself being the Chief Cornerstone. (Those with NIVs – do not **dare** to refer to Me as capstone, for thy ‘Jesus’ is a counterfeit of the One who is equal in substance to the Father. For your NIV has described **its** Jesus as the capstone unable to grasp equality with the Father. I cause thee to repent of having such an abomination before Me).

“THESES (70): There is to be a time of reflection upon My Word. My Authorised Version, or KJV as it is called in America, includes the word ‘Selah;’ reflect, meditate on My Word. Instead of going through your nonsense of Easters & Christmases, call a day of **reflection** upon My

Word. Gather round a family Bible: Mum & Dad, & the children.

“Those living in sin, recognise the error of thy ways; for there is no such thing as a partner relationship in My kingdom. For I have ordained marriage between a man & a woman to bring forth children built up in My Word. There is no place in My Word for those who live together as a partnership, whether they be man & woman, woman & woman, or man & man.

“THESES (71): I am not pleased with the displays of sodomy in thy streets. I have **not** changed; for the sin of Sodom yesterday is the sin of Sodom today.

“THESES (72): There is to be a great crying out before Me. I cause thee to put into action the clauses of these theses: for a nation once again to be at peace with itself.

“THESES (73): There is to be a famine upon this land unless thy keep the demands of My Word within thy hearts & minds.

“THESES (74): Thou shalt not have a Queen on ‘Christmas Day’ give a message of goodwill to the Commonwealth, when these nations are far away from Me. Instead, thou shalt have a Queen that calls for national repentance – a day of mourning of thy sin.

“THESES (75): Speak to the islands around thy coasts to **come alive**, & bear the fruits of revival.

“I speak to the land of the Hebrides to once more bear the fruit of revival. The Kirk of Barvas is once more to be a shining light to the world, having removed the transgressions of false translations But this revival shall be so much bigger than the past one; for it shall reach the ‘Catholic islands’ of the south, & publicans shall once again say that ‘truly, our trade has gone.

"THESES (76): I cause the Island of Orkney to repent of its transgression, its darkness of witchcraft.

"I cause the Isle of Man to remove its swastika of unbelief. Just as I have caused the people of Wales to remove the symbol of the dragon, so I am calling thee to remove the symbol of hatred & unbelief.

"To the islands of Scilly, to the Channel Islands, to the Isle of Wight: think not that I have forgotten thee, but come to Me with **all** thy hearts, & receive My rest.

"To all the outer isles on the coast of western Scotland: I have seen thy passion towards apparent 'churchgoing;' receive My passion to become sons of God, led by the Spirit of God.

"To the island of Iona, I say: remove thy pagan altars, & restore the apostolic mantle of Columba.

"To Holy Island, the Farne Islands: remember thy past, & do not move into the realm of modern theology based on the questioning My Word, but remember the dedication of thy forefathers.

"To the islands off the coast of Ireland: Rathlin, the Aran Isles, etc.: remember, thou hast not been called to be centres of religion, dead observance – but centres of dedication to the Living God.

"To the islands off the coast of Wales: Anglesey, Holy Isle, Bardsey & Ramsey, Skomer, etc., etc.: remember the dedication of the forefathers. And I speak to Anglesey to **rid** the land of its Druid past.

Continued on Tuesday, 07 August 2007

“THESES (77): Sacrifice: those who have sacrificed, shall gain. Those called into My ministry have sacrificed everything for Me. They shall gain the promised land.

“But woe unto those who have chosen My ministry as a career, in the same way as a man should choose a secular job. They shall be found out.

“THESES (78): Woe unto those who have seen their denomination as being My Church: for the Church is My body.

“Thy idol has been removed.

“THESES (79): Warn those with “Bibles” that hath the word “blood” removed: thou art in danger of eternal fire.

“This is the day of judgement for those who have refused to accept My Word. Your intellect will take you to hell. Your sacrifice will bring you to heaven.

“THESES (80): I speak to those who would call themselves My Church. Do not have opinion on political & ethical matters. Do not have opinion on the situation in the Middle East. Simply remember My everlasting covenant with My children Israel – for if ye are Christ’s, ye are Abraham’s seed (Gal.3).

“THESES (81): The Church is the fulfilment of Israel, not the replacement.

“THESES (82): Under your Constitutional Acts, the Church & state are one together. Make sure you are one with Me, & **cease** to have tine own opinion.

“THESES (83): Make sure thou dost not question My theses, or question the heart of My prophets; for as in days of old, I speak today through those chosen of Me to be My prophets. Make sure thou dost not intellectualise what they have to say; for those who are led by the Spirit of God, are the sons of God.

“THESES (84): Thou hast seen amazing things in these days. My prophets have been called to inform the world of impending judgement. The flood of Boscastle was a warning to a Church that had blasphemed My Word. Make sure My Word is presented as **Holy Writ** before thy congregations.

“THESES (85): My prophets are giving warning of the false doctrines of the “new translations.” Make sure thou hast seen the light, & take the warning of the Council of Nicaea; for “Bibles” without the word “begotten” in John 3:16 are not Bibles at all.

“THESES (86): Suffer little children to come unto Me, for of such is the kingdom of God. Restore childhood in your nation; replace evil computer games, over-sophisticated television programmes, with the likes of “Andy Pandy,” “Bill & Ben,” & “Tales of the Riverbank.” Let children be children again. Tell them the stories of Jesus. Sing the lovely hymns which I have ordained for children – hymns that have not been copyrighted for earthly gain, but hymns & choruses that have come from the heart of God. Thou must never copyright the heart of God. Let children be children again.

“THESES (87): Mothers. Look after thy children. Do not regard them as commodities one can place into the care of others.

“THESES (88): Thou shalt protect thy children as a nation, & make them children again. For of such is the kingdom of heaven.

“Woe unto them who have tried to make children sophisticated; for I have called children to enjoy the simple things of life.

“I have ordained Sunday school teachers to work with parents who are ordained to bring up a child in the training & nurture of the Lord. I **hath** ordained a physical

correction; for without this a child will have no comprehension of what is wrong; for this correction is one of love, rather than punishment. Removing the correction has resulted in your overflowing prisons in your land, combined with the effects of your evil computer games, & the like.

"My warning to the Church is that unless you teach the wisdom of Proverbs, you will never train parents to bring up children.

"THESES (89): I give warning to those who see themselves as Church, who obey the latest brand of political correctness before My Word: My Word can not be returned void. But if you, as a "Church," choose to accept the latest brand of ungodly laws, then thou wilt be seen as a harlot before Me.

"THESES (90): A law in your nation is not a law unless it is consistent with My Word; for thy Queen has sworn to keep the laws of God.

"In these remaining theses I am calling thee to reflect on My Word; to have a time reflecting on what I have said, showing that thou hast not come under the bondage of slavery, but hath been freed by My precious blood.

"THESES (91): Woe unto those who have sought to make commercial gain out of My Word. A consecrated life gives all unto Me.

"THESES (92): What I give, the whole world must know without copyright restriction. For My Word is in the public domain.

"Woe unto those with "Bibles" that maintain the little 'c.' – unless it be of My crown, which is under Me.

"THESES (93): As I have shown in this prophetic word, the affairs of thy state are the affairs of My Church. My Church is to ensure government honours that which I

have said. And as My Church comes to gather before Me, so the nation must stop all but essential services. Thy television & radio must not show anything remotely secular, for I am calling thy nation back to its Sabbath rest.

“Football & cricket shall cease, to be replaced by times around the family Bible, which is to be the centre point of every home in your land, if thou art to be a nation before Me again.

“THESES (94): God does not live in altars made with hands; for My true Church is the temple of the Holy Ghost.

“THESES (95): I John 4:4 *'Greater is He who is in you than he that is in the world.'* I have already won the victory over the god of this world. Let those of his intellect shout & scream; for they intimate the preparation for an eternity in hell.

“Repent of thy intellect & come unto Me; for I am the God who shed his blood for thee.

FINAL CONCLUSION:

These are the theses which I have called thee, David, to deliver to denominational & leadership doors throughout thy nation. I will provide thee means for these to be delivered. Make sure thou dost not get involved in earthly conversation, but speak out from thy heart the true word of the gospel, remembering that the vilest offender who truly believes, that moment from Jesus a pardon receives.

“And this applies to thy nation, on condition that thy nation repents before Me – then I will

pardon thy land from the torment it is now under.

“This is the end of the theses.”
